DELIGHT MINISTRIES

INVITING COLLEGE WOMEN INTO
CHRIST-CENTERED COMMUNITY THAT
FOSTERS VULNERABILITY AND
TRANSFORMS STORIES

is! Our Core Values! Our Core Valu

1. INVITATIONAL

We believe in going out of our way to pursue people. We intentionally invite women to be a part of our community and into a deeper relationship with Jesus.

2. VULNERABLE COMMUNITY

Delight is a place to be fully known, loved, and challenged. We believe in community that carries each other's burdens and celebrates the victories.

3. EFFECTIVE INNOVATION

We intentionally look for new, innovative, and effective ways of doing ministry. We're not afraid to do things that haven't been done before.

4. EQUIPPING & DISCIPLING

We believe in taking the time to bring others closer to Jesus while resourcing them to become strong and servant-hearted leaders.

5. SPIRIT LED

We desire to look to Jesus in every decision, plan, and strategy. We will follow faith over fear.

Programs & Services:

- Delight dates
- Weekly book readings and discussions
- Worship
- Discipleship
- Monthly community service events and outreach

Serves:

- College-aged women in Knoxville
- Local communities who are supported by outreach and community service events

Pain Points

- The members of the UTK chapter are asked to donate by word of mouth, within limited times, and through an unofficial system. This limits awareness of fundraisers and does not allow people to prepare to donate.
- Non-members of a chapter are not being targeted and cannot easily donate without a member. This means people that have more funds to donate are uncomfortable doing so or unable to.
- There is not a system to advertise fundraisers to members or non-members. It is not clear how donors can donate to a chapter when a fundraiser occurs which makes people hesitant to donate.

Opportunities

- Create a system of donation that is easy for donors to understand.
- Target audiences outside of the organization in addition to members.
- Advertise fundraisers more frequently and in more appealing ways.

1. It is difficult to donate to a specific delight chapter.
2. Some level of social media/internet knowledge is required to donate.
3. Our chapter is targeting people directly involved or relatives of those involved with the organization.
4. Our chapter focuses on fundraisers with incentives(percent nights, raffles, etc.)
5. The UTK chapter only raises money for what they need (they do not raise money in excess for future events)
6. Their fundraisers are very subtle and do not have much marketing
7. All fundraising for the chapter is extremely small scale
8. They do fundraising events that are not publicized and happens semi randomly (random raffles, etc.)

Join Us in the Mission

How might we design a campaign that targets UTK students in a way that urges them to donate and makes them feel comfortable doing so?

Table UTK

Objective: Effectively table on Ped and advertise it on social media to increase awareness to incentivize donations via fundraising

Target Audience: UTK students

Core Message: Support us and our community service projects by buying our products

Why it matters: As our chapter grows, we cannot do as much community service without more funds

What are we trying to accomplish with our community service?

We seek to bring gifts and flowers on our retirement home visits, donate toys, clothes, and essentials to Angel Tree and Operation Christmas Child, and present the Knoxville community with food and adequate clothes.

What do we need for our chapter?

For the upcoming semester, we need to raise enough money to fund our retreat, formal, monthly events, and annual brunches.

What scholarship opportunities do we provide for our members?

We provide Delight books and Bibles to girls that cannot afford them and fund their monetary needs so that they can participate in events. Our current goal is to provide scholarships to outstanding members of our chapter as well.
